Fraternal Greetings to You Brethren

 **From the East:** Summer flew by and here we are back and ready to work again. First, a thanks to all those who supported PAIR Day. It was a great success and we should have a lot of work for this fall. Speaking of work we have a lot of clean up to finish. There will be some upcoming specials to finish the brothers we got started earlier in the year. Please don't wait to be asked, if you can help let me know there are lots of parts to fill for both the second and third degrees. One of my goals was to get as many brothers involved in doing things as possible. If there is something you want to do, ritual, building maintenance, Friends of Masons or Fund raising let me know. If you have agenda items please get them to me 48 hours before the meeting.

 **Tidings from the West:** Thanks to all for supporting PAIR Day. We had 14 that signed up that were interested in learning more about the Masons. I have contacted most of those who signed up during PAIR Day to attend Friends of Masons Day, which is scheduled for 9 September. I will need help cooking and have a greeter at the door. We could make a great first impression if we have a lot of our members there to welcome them. Come and enjoy the afternoon. The attendance was great prior to our summer break, let's just keep up the interest and have a great yearend closing.

 **Greeting from the South:** Welcome back one and all. I am still planning a car wash for the up coming months and then maybe a poker tournament. We need help in getting these things done. Please let me know if you can help or if you have other ideas this promises to be a very busy fall.

 **From the Secretary's Desk** It is that time of year again and we are back at work. Remember it is coming up on dues time in just a few months. Also we have a number of reports coming due, the district deputies visit and numerous other activities. I am always looking for your input. Glad to see you all back.

 **From the Webmaster:** Brothers. I hope you are making use of our lodge web site and enjoy its contents. Although my time is limited, I make content updates my top priority. If you want something posted, or if you are looking for something but can't find it, please send me an email at signaleer@earthlink.net or click the COMMENTS link found on the top, left-hand side of the lodge home page. I want to make the web site more convenient and your first place to go when you need information regarding lodge activities. Your feedback will definitely support that objective. Fraternaly, Rick Reichert, PM 2003

 **From the Building Managers:** Thanks to WB Arvid for coordinating the repairs to the plumbing and electrical system. We also are going to have the roof worked on. Our cleaner has done a great job, but there are a bunch of maintenance projects that we need to work on around here. I will be looking to repair the windows in the kitchen, do some caulking and other projects. Looking for help and for areas that we need to work on.

 **Sickness and Distress** Bro Don Hendricks is recovering slowly and is moving shortly into a rehabilitation ward. Keep WB Hopes family and Ann Madenjan in your prayers as they work through several illness issues. WB Steve Songer, of Easton, is back home after some health problems.
